Hausbaukasten Building Blocks

Vario-City — Traumstadt aus dem Hausbaukasten. Wolkenkratzer — Bungalows — Fabrikgebäude — Reihenhäuser — große Wohnblöcke — kleine Villen — alles ist drin. Und erst das größte Plus — alle Teile sind bruchfest, trittsicher, farbecht — mit einem Wort — KINDERFREUNDLICH.

An illustration of a Western town square. A red sign with white text hangs from a wooden post, reading 'Plasty WESTERN SERIE'. Below the sign, a red stagecoach is being pulled by a team of horses. In the background, there are buildings labeled 'POST OFFICE' and 'WESTERN BANK'. A woman in a green dress and a man in a red shirt and hat are in the foreground. The scene is set against a blue sky with a few stars.
