OSPREY BOOKS

The full range of Osprey Publications may be ordered from us. A full listing of titles currently in print will be forwarded on request.

LIMITED EDITION FIGURES

As at 15th August, 1979 a small number of the following figures are still available. — Sweet Spoils of Burgundy
Modest Comforts of Campaign

NEW HOPE DESIGN

All of the figures in our range are cast in white metal and are in kit form. Assembly is without complications and full instructions are given for any kits which require it. We do, of course, give an absolute guarantee on all of our products and, if you are at all dissatisfied, we will refund your money on receipt of the returned item.

Each one of our figures comes with painting instructions. These are intended to allow you to complete the figure and usually specify a particular regiment or unit. Very many of our models, however, can be easily and simply converted to other items.

Should you wish to purchase painted figures, we are able to offer an exclusive service. There is an approximate six-week waiting period for painted work. Prices and delivery time will be quoted upon enquiry.

Specially commissioned figures, dioramas and other display work can also be completed. Prices are commensurate with the high standard of presentation of such items.

*** Please note that all prices quoted are exclusive of VAT. This must be added, at the standard rate, by UK residents. Postage and packing is charged when the value of the order is less than £5.00 exclusive of VAT and is reckoned at 10% of invoice value.

ACCESS or BARCLAYCARD may be accepted. Please quote the card number clearly and show your name and other details precisely as they are printed on the card. This will help us to process your order more rapidly.

Cheques and postal orders should be made payable to "New Hope Design" and crossed.

Overseas Residents

We have distributors and representatives in a number of countries. If you do not know who handles our products in your country, please write to us individually for details, enclosing an International Reply Coupon.

If you wish to order direct from us, please send an International Money Order to the amount quoted in the price column, plus 10% for packing and postage. Goods will normally be sent by the cheapest route (i.e. by surface post). If you require air mail service, we will invoice you for the extra amount involved. If the packet is to be insured, this will be charged at the price to us.

Residents of the Federal Republic of Germany or of the Netherlands may pay by personal cheque drawn in DM or guilders. Because of exchange rate fluctuations, the DM or guilder price may vary slightly. Unless advised to the contrary, we calculate both D-Marks and guilders at a rate of DM/DG5 = £1.00 for the purposes of handling personal cheques.

Residents of UK, Eire and HM Forces Serving in BFPO Addresses (including BFPO 801) or HM Ships in Foreign Waters.

All items in this listing should be available from your local dealer and we would ask you to support him whenever possible. If you have difficulty in obtaining our products, please let us know the name of your dealer and his address so that we may contact him. Our models may also be ordered by post from many of the stockists who advertise in **Military Modelling** and other hobby magazines.

If you are unable to purchase our figures from a regular dealer, we are able to supply any item direct to you. Please note that the prices in this listing do NOT include VAT unless specifically stated. The appropriate rate should therefore be added to the listed price if you are resident in Great Britain (including Northern Ireland).

VAT is not chargeable to residents of Eire, the Channel Islands, HM Forces overseas and HM Ships in Foreign Waters. Service personnel using BFPO 801 may care to note that this company does not charge VAT to personnel stationed at that location.

Please note that telephoned enquiries should be made between 0900 and 1700 Monday to Friday to Rothbury (0669) 20246. Correspondence should be addressed to:
