FIGURINES FOR COLLECTORS
MADE IN ITALY

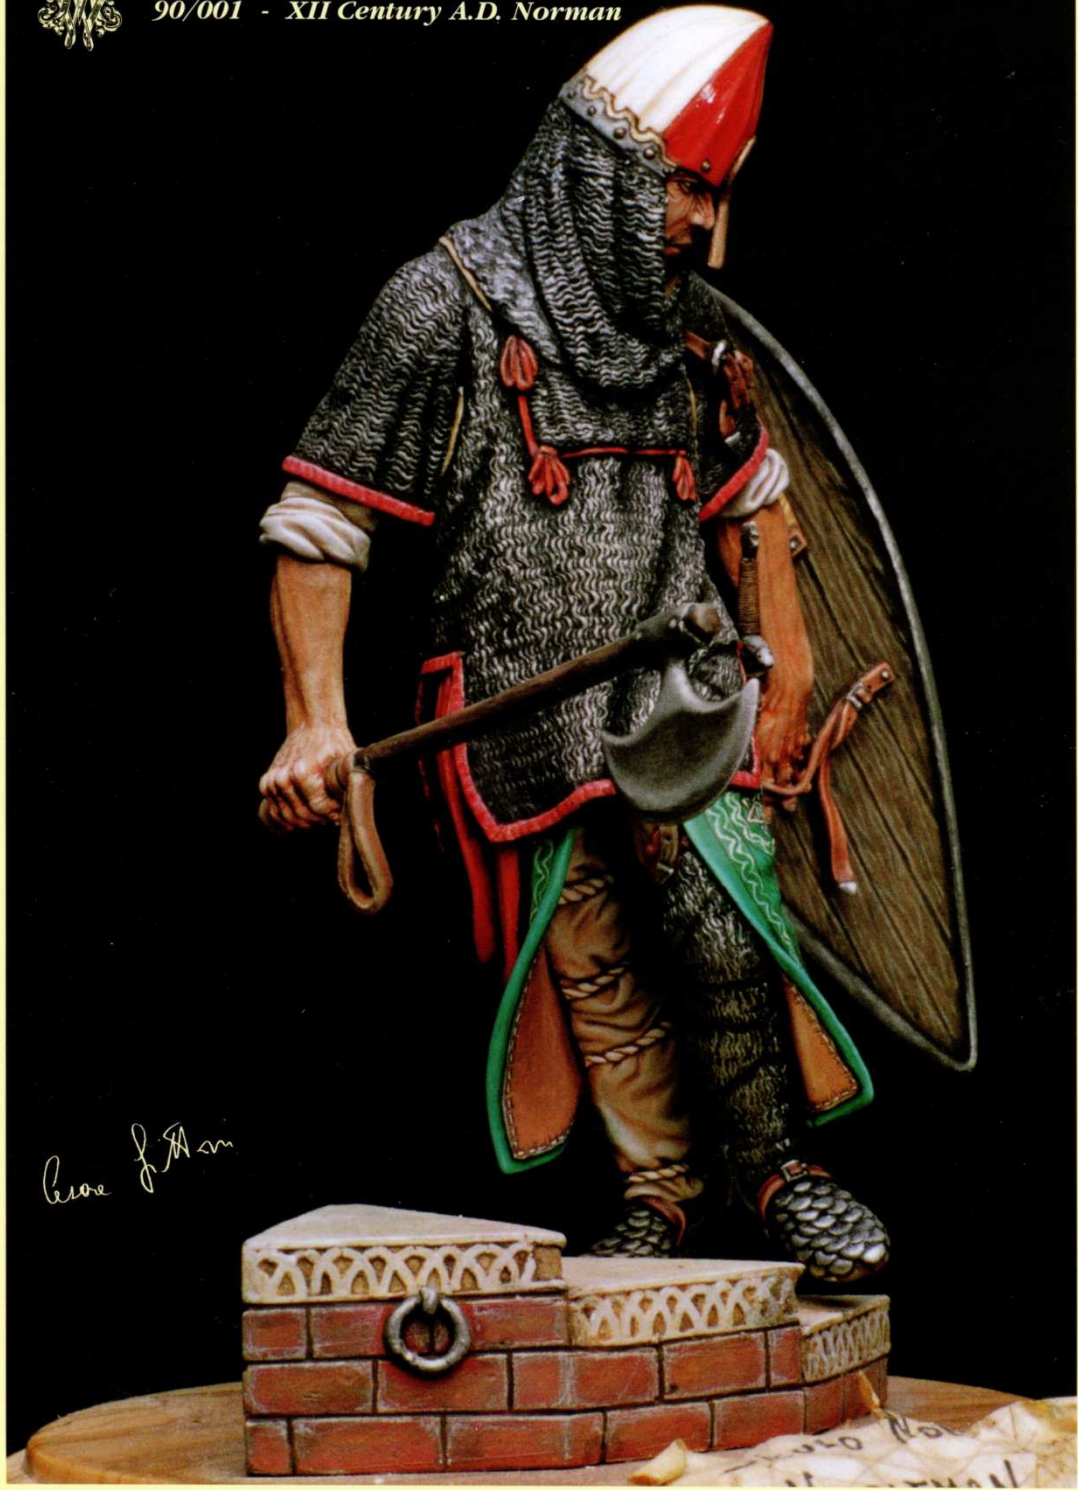

"I soldatini di piombo, immobili e silenziosi in mezzo alle collezioni, ci osservano mentre, nostalgici, rievochiamo e talvolta riscriviamo i colori della storia dell'uomo."

"Little tin soldiers, silent and still standing in the middle of collections, they stare at us recalling and sometimes rewriting, with nostalgia, the colours of human history."

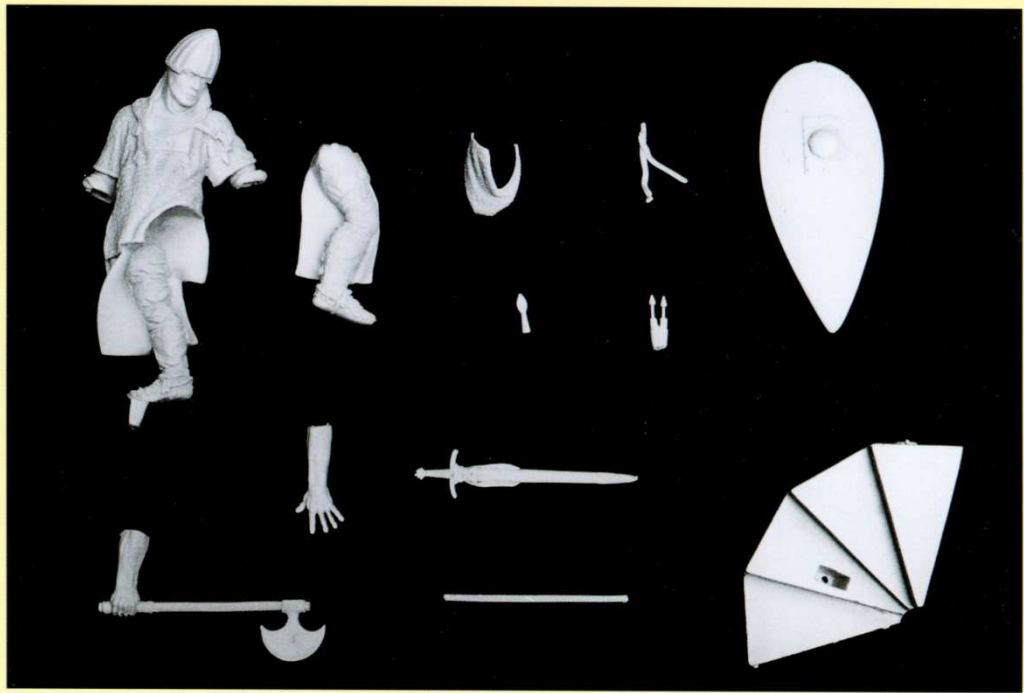

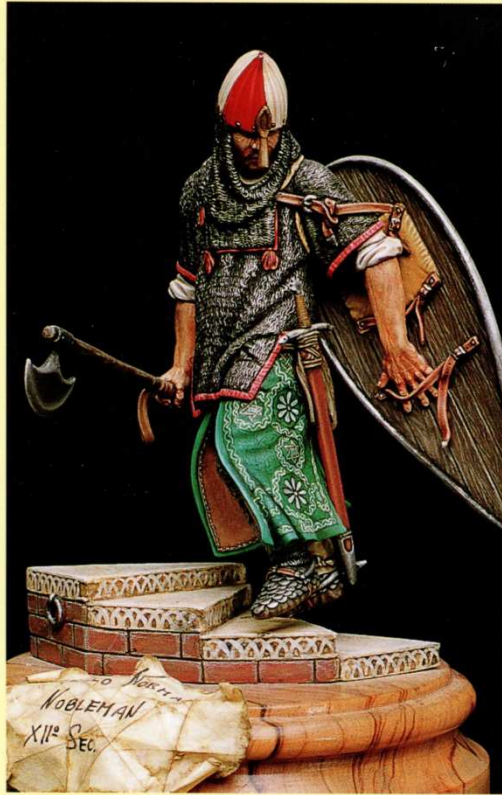

90/001 - XII Century A.D. Norman

*La **White Models** è lieta di presentare il proprio catalogo. Schede con dettagliate fotografie a colori descrivono ogni soggetto prodotto, consentendo di apprezzarne l'incisione e l'interpretazione pittorica, mano dello scultore stesso e di stimati collaboratori.*

*Le miniature proposte rispecchiano l'attinenza storica senza nulla togliere alla continua ricerca artistica, allo studio sulle proporzioni anatomiche, alla naturalezza di postura e movimento: peculiarità che garantiscono la qualità del marchio **White Models**.*

***White Models** is pleased to present the new catalogue. Cards with detailed photographs show every produced figure, in order to appreciate both engraving and painting, by the hand of the sculptor himself and of some well esteemed collaborators.*

*The proposed miniatures respect historical reliability without lacking in artistic research, anatomy and proportions study, natural grace of attitude and movement: all those particulars are granted by the special quality of **White Models** trademark.*
